

CONVERSATION, clay, steel and concrete;  
bronze may also be a potential medium  
for this sculpture suggested height range:  
5' to 9' x width range: 12" to 24" x depth  
range: 12" to 24"

# Lenny Dowhie

## Evansville, Indiana

“Conversation” ...requires a space  
where the three objects have the  
room to have a “conversation” with  
each other, much like consulting  
physicians.

### Professional Vita
